Text Banking

What is MOBILITY CU Text Banking and what is required to have text banking?

Text Banking allows you to access account information such as balances, your last three transactions, and more as text messages on your mobile phone. This service does not require web access like standard Mobile Banking and will work with any mobile device that has text send and receive capability. You will need to register your mobile device by accessing:

<https://mobility.mobilitycu.com/c2ht?msestks=mobilitycus.xml&stk=homebase&appno=mobilitycu&mode=txtmsg> from a computer. You will be asked for your Home Banking ID and password during the enrollment process. If you aren't signed up for Home Banking, it's simple. Go to mobilitycu.com, click on Bank > 24/7 Access > Online Banking and choose New User: Enroll Now or contact us at eServices@mobilitycu.com or call 800-388-7889 if you need further assistance.

Text Banking Options

Text us: We'll text back:

mcu bal	Balance information for your accounts.
mcu hist	The last three transactions for your accounts. It may require multiple messages.
mcu cmd	A list of valid commands.
mcu help	Support information.
mcu stop	This will unregister the device from Text Banking. Once you send this command, you will need to go through the enrollment process to re-enable.

How do I enroll in Text Banking?

Follow these steps to enroll your mobile device in Mobile Text Banking:

1. Go to <https://mobility.mobilitycu.com/c2ht?msestks=yccus.xml&stk=homebase&appno=yccu&mode=txtmsg> on a computer.
2. Enter in your Home Banking ID and password.
3. The short code for texting the commands is 21443

How much does Text Banking cost?

MOBILITY CU provides Text Banking at no charge. Unless you are on a wireless plan that includes text messaging, your wireless provider may charge you for each text message you send or receive. Consult your wireless carrier or plan.

How many accounts can I set up Text Banking for per phone/mobile device?

Text banking allows for one account per phone/device. However, you may access an account through text banking from multiple phones/devices.

What information does the Text Banking service store on my mobile device?

The only information stored on your mobile device is old text messages which do not contain any confidential information. These messages may however, have old balances or transaction history. If you do not want to store these messages, you should delete your text banking messages regularly.

Should I worry about Smishing, or fake text messages trying to access my account information?

To avoid texting scams, remember this:

- You will only receive text messages from MOBILITY CU that you setup or initiate.
- Make sure you know who sent the message – if in doubt, delete.
- Never click on a link if you are unsure of the sender.
